Kelly Gosson- Stable Management

2- 45min private 1- 1 ½ hr group cross-country jumping lesson and level appropriate Stable Management.

Eiren Crawford

After sixteen years of training and competing in Europe and America, Eiren has returned to Canada. Eiren's vast experience, working for and training with no less than four Olympians, has provided her with a comprehensive tool kit when it comes to training horses and riders. The major influences shaping her training theories have been Olympians Ingrid Klimke and Morten Thomsen, for both of which she was an assistant rider. In Germany, Denmark, and across North America, Eiren successfully trained and competed horses from three years old to Grand Prix competition.

Amy West

Amy has competed at the Advanced Horse Trials as well as FEI CIC** and CCI** levels throughout AB, BC and the US. She is a certified Equestrian Canada Competition Coach and coaches throughout the province sharing her wealth of knowledge.

Kelly Gosson

Often considered a walking, talking wealth of knowledge, we couldn't think of anyone better to round out this amazing educational opportunity! Kelly has successfully completed her complete B2 and her HA in Pony Club.
