EXAMINER AND TESTING FEES

ALBERTA SOUTH REGION – 2025

ABS EXAMINER FEE SCHEDULE 2024

For 2025 the ABSR Region will make the following payments to Examiners at Regional test.

Regional Examiner fees¹:	Panel examiner	\$ 30/hour
	Novice Lead examiner	\$ 38/hour
	Lead examiner	\$ 45/hour

Branches are encouraged to use the same fee schedule but can make their own agreements with the examiners of their choice.

Fees for National Examiners will be set on a per case basis by the testing committee.

These fees are based on an 8-hour workday for examiners. When a test goes longer than 8 hours, an additional fee of \$ 10.00 per hour will be added to the examiners' wages for the # of hours over 8. This goes for all classes of examiners.

*(For example, a 10.5-hour test for a panel examiner will be $10.5 * \$30 + 2.5 * \$10 = \$340.00$)*

Written test marking²

Examiners appointed to the marking panel for higher level written test (C2 and up) will be paid \$50.00 per test marked. If the work is divided equally over the panel, where one person marks a certain section of all the tests, the fees will be split evenly over all markers (*e.g., 3 people mark 8 tests then each panel member is awarded $8 * \$50 / 3 = \133*)

When the marking panel meets on site, they will be entitled to also claim mileage at \$0.50/km. to a maximum of \$125.00.

Mandatory evaluation

Examiners requested to perform a mandatory evaluation for candidates C2 and up can charge a day fee of \$320 per day or \$200 per half day.

Examiners are not expected to be on site longer than 8 hours and as such the Region will set up an appropriate schedule for the day. Depending on the number of candidates, parts of the test that are evaluated and the level of candidates, multiple examiners can be appointed. Same mileage as for a regular test apply.

Shadow and Assist:

Candidate examiners will need to shadow and assist at a test prior to becoming an examiner. The Region will support candidates with a \$ 50.00 compensation for expenses incurred to
