

BCLM Education 2018-2019
Regional Stable Management Registration Form for the “C2” Pod

Regional level Stable Management is being organized by the BCLM Education Committee to provide education at the C2, B, B2 and A levels.

Regional Stable Management

Ten to Twelve hours of scheduled instruction will be provided to cover all areas of stable management, review and test writing preparation. Participants will be grouped into geographic ‘pods’ and assigned an instructor to teach all sessions. Stable management sessions will be scheduled by the ‘pod’ instructor after consultation with the participants. Some pods may meet weekly for 1-2 hours while others may meet less frequently (e.g.. on a weekend) for longer sessions.

Riding Clinics and Camps

Riding clinics and camps including evaluations and mock testing may be offered separately and are not included in the stable management fees.

Registration Deadline and Cost

The cost for Regional Stable Management is \$120 payable to BCLM Education. The deadline for registration is Saturday, October 20th, 2018 to enable us to begin stable management sessions in early November.

All members including Horse masters’ are welcome to attend regardless of whether they plan to test or not in 2019, but if space is limited priority will be for those testing in 2019.

Sign-up to be on the BCLM Education Mailing List

All members who register for the regional stable management will automatically be added to the BCLM Education mailing list. Members who are not registering for the twelve hours of scheduled instruction may sign-up to be on the BCLM Education mailing list to receive notification about upcoming education sessions, riding clinics and camps by completing the Registration form and indicating Mailing List only.

Please complete and return the attached Registration Form with payment, if applicable, no later than Friday October 20th 2018. Payment may be by cheque made out to BCLM Education.
