

COR Introduction to Drill Team Clinic

- Date:** Saturday, March 4, 2017
- Time:** 10 a.m. - noon, choosing your music for freestyles & musical rides
1 p.m. to 3 p.m. - All about Drill and Musical Rides
- Location:** Second Star Farm, 1025 Line 5 North, Oro-Medonte
- Cost:** Free; pizza lunch supplied by COR

Do you enjoy team activities and riding with your friends? Are you interested in learning about mounted drill? Then this clinic is for you! We will cover the basics of starting and planning your own mounted drill team, including:

- the rules and requirements for Pony Club Drill teams;
- basic choreographing (on foot); and
- selecting music for your routines.

Mounted drill is a fun way to spend time with your friends and to test your dressage skills. You will also learn how to ride properly as a group and to synchronize with other riders.

This clinic will lay the foundation of skills needed to progress to riding a drill routine. Based on interest and participation at this clinic a mounted clinic may be organized for a later date.

The clinic will be unmounted, but we will do some work in the arena or outside, so please dress appropriately. Clinic led by Major Andrew Henderson (GGHG), Laurie Blake (instructor), active members Kaitlyn & Cass Henderson, assistants.

Central Ontario Region Drill/Musical Ride Clinic

March 4, 2017
