

Prix Caprilli Test I (No canter – trot poles)

The Prix Caprilli test provides an opportunity for the horse and rider to demonstrate elementary skills in dressage and jumping. It is understood that in the working gaits, a jumping horse is not expected to be as on the bit (round) as a competing dressage horse. The horse must softly accept the bit and may show more roundness in the parts of the test separate from the jumps. Trot work to be done posting. Transitions into and out of the halt may be through the walk. Test may be called. Refusals will be penalized as an error of course. Knockdowns will be penalized at the judge's discretion. In the case of a knocked down rail being in the way, the judge will ring the bell for the rider to stop without penalty. After the jump is replaced, the bell will be rung again telling the rider to continue from where they stopped. Errors: 1st – 2 points, 2nd – 5 points, 3rd – elimination. 3 refusals at one jump – elimination.

Maximum Possible Points: 150
