

# Toronto & North York Pony Club

## Fun Rally

**Saturday June 10, 2017**

**Location: Berg-Solomon Farm, 16307 Kennedy Road, Stouffville (on the east side of Kennedy Road just north of St. Johns Sideroad)**

**We have created an opportunity to participate in a one day event setting, at the level you are comfortable to ride at, in all three phases. Mix and match at your comfort level!**

**The idea is to leave with judge's feedback to improve your skills and have fun!**

**Overnight Accommodation: If you are participating in the PPG meet the following day, you may rent a stall 10 min away at The Gait, (6296 St. John's SR, Stouffville) for \$20. You must provide your own shavings and clean up and remove all garbage! You may camp on the Berg-Solomon property.**

**Dressage – Score sheet and comments will be given to the rider.**

**Equitation Over Fences – Judges will give you feedback on your control and style over a course of jumps.**

**X-Country - Coaches will be on the X-Country course to assist you safely to the finish line.**

- **If you are taking a long time to negotiate an obstacle you will be asked to stand aside to let the next rider move past you.**
- **If you are un-successful at an obstacle you will be able to miss it and move on to the next, allowing you to finish the course rather than being eliminated.**
- **Riders who are unsafe will be asked to dismount and return to the trailer.**
- **CPC Safety and concussion rules do not permit a rider to remount and continue if they have fallen off.**
