1.0 INTRODUCTION

- 1.1 The Canadian Pony Club Inc. through its Central Ontario Region (hereinafter referred to as "the Region") has granted permission to operate a Pony Club Branch to be called the Uxbridge-Scugog Pony Club (hereinafter referred to as "the Branch").
- 1.2 The Branch shall operate in or near Uxbridge, Ontario.
- 1.3 The Branch may not become incorporated.
- 1.4 The bylaws of Canadian Pony Club Inc. and the Rules and Regulations of the Region contain various provisions relating to the operation of Branches and Branch Executive Committees, all of which are applicable to the Branch and all of which are incorporated herein by reference. If there is a conflict between these Rules and Regulations and the bylaws of Canadian Pony Club Inc., or the Rules and Regulations of the Region, those bylaws or Regional Rules and Regulations shall supersede these Rules and Regulations.
- 1.5 The Branch operates only by permission of its Region and the Canadian Pony Club, either of which has the authority to restrict or suspend Branch operations.

 - The Branch has the right to request inactive or disbanded status from the Region at any time. If that is done, the Branch must forward all Branch assets to the Region within six months.

9.0 SPECIAL RESPONSIBILITIES AND AUTHORITY OF THE DISTRICT COMMISSIONER

- 9.1** The District Commissioner is the representative of the Region and of the Canadian Pony Club within the Branch. As such, the District Commissioner is responsible to the Region and the CPC for insuring that CPC and Regional rules and policies are followed.
- 9.2** In order to carry out this responsibility, the District Commissioner and no-one else in the Branch has the authority to suspend any decision of the Branch Executive Committee and refer the decision to the Regional Committee for a final decision if the DC believes that the decision is against any CPC or Regional policy or is not in the best interests of the Branch or the Pony Club. No action can be taken on the decision until it is reviewed by the Regional Committee or their authorized representative. If the District Commissioner suspends any Branch decision, he or she MUST IMMEDIATELY inform the Regional Committee, the Regional Chair, Regional Director, or Regional Secretary so that prompt action can be taken to resolve the issue.

Although this is considerable authority, it is not a veto, only a delay to allow proper review at a higher level.

- 9.3** The District Commissioner is also the official authority of the Branch in regard to signing documents, particularly such items as Membership Application forms, applications to test, and applications to enter regional or national competitions. This authority may only be delegated to another member of the Branch Executive Committee, must be in writing, must be for a specific purpose, and for a specific duration not to exceed 3 months. Such delegation does not relieve the District Commissioner of his or her responsibility to insure that all documents are fully and accurately completed before they are signed.
- 9.4** When a DC or his/her delegate signs applications which include a statement about members being able to compete at a certain level or stating that they meet certain qualifications, the signature does not indicate that they have first hand knowledge of all

the factors involved. Before signing, it is the DC's duty to be sure that the member does meet all requirements; but, they may depend on judgment of other qualified people such as instructors. The signature signifies that a proper evaluation of the member's qualifications has been done, not that the DC has necessarily been present at or involved in the evaluation.

10.0 MEETINGS OF PARENTS AND ACTIVE/AFFILIATE MEMBERS

- 10.1** Meetings of parents and other Branch members are very useful for exchanging information, for instruction purposes, or to discuss suggestions and opinions.
- 10.2** There are no established rules for voting at such meetings, however informal votes may be organized and used to find the general opinions of those present.
- 10.3** Votes taken by any group other than the Branch Executive Committee are not binding except for Branch elections or decisions to remove someone from office (see sections 3 and 5). The Branch Executive Committee is the only group in the Branch which is authorized to make binding decisions related to all other operations of the Branch.

11.0 BRANCH GENERAL MEETINGS

- 11.1** The Branch shall hold at least one Branch General Meeting per year which shall be the Branch Annual General Meeting. The main items of business at the Branch Annual General Meeting shall be reports to the Branch by the incumbent Branch Executive Committee and the election of the incoming Branch Executive Committee as per section 3.0.
- 11.2** The Branch Annual General Meeting will be held in November of each year with 30 days written notice of same to the Branch Membership.
- 11.3** Branch General Meetings are called by the District Commissioner. If requested by 3 or more Branch Associate Members or Active Members over the age of 18, the District Commissioner **MUST** call a Branch General Meeting.

12.0 MISCELLANEOUS

- 12.1** These Rules and Regulations shall not be rescinded, altered or added to except at a Branch General Meeting to which not less than two weeks notice specifying the intention has been given. All changes must be approved by a majority of the Branch Executive Committee before presentation to the Branch General Meeting. Any changes to these Rules and Regulations shall not be acted upon until approved by the Regional Committee.
