Loyalty, Character, and Sportsmanship

## About Pony Club and Central Ontario

The Canadian Pony Club was founded in 1934, after the great success of the British Pony Club (founded 1929). The first branch was the Eglinton Pony Club, which was located in what is now the Central Ontario Region. There are now 13 regions across Canada with membership of about 3000 in over 180 branches.

Pony Club is for children and young adults between the ages of 6 and 25. Riders of all levels are welcome, both boys and girls.

Extending from Napanee west to Highway 27, from Lake Ontario all the way to the northern borders of the province, Central Ontario Region currently has 15 branches with 200 members.

## What Do We Do?

Although Pony Club is an educational organization we offer competitions in a variety of disciplines, and at a variety of levels. Disciplines offered in Central Ontario Region include:

- \* Dressage
- \* Show Jumping
- \* Le TREC
- \* Tetrathlon
- \* Prince Philip Games
- \* Rally (eventing)
- \* Quiz

Pony Club also offers some these disciplines at the National and even International levels for members who meet competition eligibility. Pony Club also offers a variety of clinics to its members, in a diverse range of topics, both mounted and unmounted.

Testing is another way members get to show off their knowledge and skills, as they work their way from untested E, through the D and C levels, and on towards their B or A levels.

## How Do I Join?

All you need to have to join Pony Club is a love of horses and membership with your Provincial Sport Organization (OEF in Ontario). Contrary to popular belief, you do not need your own horse or pony to join. Potential new members must be between the ages of 6 and 24 as of January 1st, of the year in which they are joining.

To join Pony Club, contact your local branch. Volunteers with Central Ontario Region can help you find the closest branch to you.
