Membership 101

Among the many benefits of membership with Canadian Pony Club is knowing that you are part of a world-wide organization that encourages youth (and adults through Horsemasters) to have a positive experience with horses through its offering of education opportunities; by learning responsibility, sportsmanship and good citizenship, and through enjoyment and/or competitive success in riding. There are, of course, specific tasks to be completed in order for members to be recognized as registered.

- Step one: The Canadian Pony Club membership form can be completed by parents/guardians or the adult member and submitted to the branch District Commissioner or branch Membership Secretary together with combined national, regional and branch fees payable to the branch.
- Step two: The member or their parent/guardian provides their DC or branch membership secretary with proof of membership with Ontario Equestrian, by forwarding a screenshot or printout of their online membership card.
- Step three: The DC signs the CPC forms and forwards them together with the OE documents for each member to the regional Membership Secretary along with national and regional branch fees, paid by a branch cheque.
- Step four: The Regional Membership Secretary makes magic happen, and the member becomes registered.

Upon complete registration, the new member will receive their Passport directly from CPC and may be presented with their Pony Club pin by the branch. New members joining in the fall can enjoy membership for the remainder of the year plus the following year.

Each year before December 31st, District Commissioners provide a Branch Report (available for download at the CPC website) to the Regional Membership Secretary and a year-end financial statement to the Regional Treasurer. This ensures the branch remains in good standing. Your regional executive appreciates the continued diligence of branch committees to ensure these membership tasks are completed in a timely fashion so as to recognize and protect all members upon joining.

Please direct any questions about membership to COR's Membership Secretary, Maisie Durward

Western is added as a Pony Club Discipline!

Canadian Pony Club is now including Western as a discipline. Branches are encouraged to promote our education and testing opportunities to local Western riders and establishments. And, existing members may like to formally try something new. Please speak with COR's National Director, Nancy Codlin, for more information on this exciting development.

Central Ontario Region Awards 2017

Much thanks to the Henderson-Blake family who led the planning of the October 28th banquet hosted in Oro-Medonte. Proceeds from the evening's raffle and silent auction will be directed towards the budget of National Dressage 2018. Congratulations to Regional Award recipients and winners of year-end discipline awards, as listed below.

Youth Rep (Junior)	Allie Heroux	Visiting Commissioners	Gwen Barnes, Nancy Codlin, Marie Howran, Marg O'Neill, Sue Robinson

The Royal
AGRICULTURAL WINTER FAIR

#PonyClubLovesTheRoyal

Badge ideas for you this winter...

Do you like to read horse-themed novels? You can complete a book report and present it to your branch to receive the "Bookworm" badge! Here's a link to a book report: <http://www.woojr.com/printable-book-report-forms/book-report-form/>

Do you have a favourite horse or pony breed? Research the history of the breed, find out some cool facts or a celebrity horse of that breed, and present your project as a powerpoint or posterboard to your branch for the "Breeds" badge.

How to make a CNY Origami Horse with Tang's Art® Gift Wrappers

Make an Origami Horse

1. Cut the gift wrapper into a square piece, in any size you favour. Coloured side up. Fold the paper in half, crease well and open, and then fold again in the other direction.

2. Turn the paper over to the white side. Fold the paper in half, crease well and open, and then fold again in the other direction.

3. Using the creases you have made, bring the top 3 corners of the model down to the bottom corner. Flatten model.

4. Fold upper layer's outside corners toward centre line, then fold the top downward along the crease shown. Unfold.

5. Cut only the top layer up to the top crease.

6. Fold the "legs" upwards along the creases shown.

7. Fold these sections in half, toward the centre.

8. Turn model over and repeat steps 4-7 on other side. The model should now look like this.

9. Rotate model and make creases as shown. Unfold.

10. Inside Reverse Fold the head and the tail. Finished Horse!

11. Optional Step 1: Blunt the head of the horse by folding the tips inside reverse.

12. Optional Step 2: Give your origami horse some lively and energetic movements by folding the front foot (or feet) upwards along the creases shown.

13. Optional Step 3: Fold the ears and make some curved cuts on the horse neck to create the horse mane.
