

On May 7, 2011, Central Ontario's regional Quiz competition was held at Uxbridge Secondary School. This year's Quiz was organized by Central Ontario region.

This year, Pony Clubbers took part in divisions for D, D1, D2 and C. Teams were made up of three members from one club, or a mixture of several. All teams competed in four categories; written, oral, visual and games. At D and D1, team scores were handed out for the written, oral, visual and games as well as the overall team score which is a combination of the four categories. D2 and C received scores for written, visual and overall for each competitor and each team received scores for combined team written, oral, visual, games and overall scores.
