

Grooming Tools

(USPC D Manual p169-170)

Name: _____

Date: _____

	<u>What is It?</u>	<u>Why Use It?</u>	<u>Notes</u>	<u>Picture</u>
1.)			Not too hard or sharp.	
2.)			Too sharp to use on horse	
3.)			May be too stiff for clipped coats	
4.)			Best tool for getting your pony really clean with a shiny coat!	
5.)				
6.)			Some hoof picks have brushes attached	
7.)			Should be different size or color from 2 nd small sponge	

	<u>What is It?</u>	<u>Why Use It?</u>	<u>Notes</u>	<u>Picture</u>
3)			Do NOT interchange these!	
9)			Dry out your sponges before storing away	
.0)			Pick out the tangles with your fingers. Do not use a metal comb - too much hair breaks	
.1)			Ouch	
.2)			Do not use this as a sweat scraper - the metal is too hard.	
.3)				
.4)				
.5)			These are too hard to use on a horse
