## TETRATHLON

**12pm start Saturday**

- WOR Regional Tetrathlon Chair: Karen Goetz [wortetshowjump@gmail.com](mailto:wortetshowjump@gmail.com) 519-981-9420
- Western Ontario Division specifications and National Tetrathlon Rules will be used.
- The requirement for participation in a mini-meet within the current calendar year has been waived provided that the participant has completed a club gun range safety practice and review and that the parent has signed off on the participants independent swimming capabilities. Participation in a cross country schooling or event does not apply as there is only show jumping in this tetrathlon.
- **Swimming:** swimming will take place in a 25M salt water indoor pool at Nature Fresh Farms Recreation Centre – 249 Sherk St, Leamington ON. There is lots of free parking on site and it is approximately 30 min drive from Maplegrove Equestrian Centre. Participants can choose to start on deck, racing dive, or in the water. Floatation devices are allowed at all levels and must be provided by participant. Floatation devices are strongly recommended if your child has not prepared w/ lap training. If the lifeguard deems the child needs to be removed for their safety they will not be able to complete that phase.
- **Running:** running phase will be distances as per chart below and will be on grass terrain at Maplegrove Equestrian Centre.
- **Shooting:** Shooting will be outdoors on site at Maplegrove Equestrian Centre. Some club guns will be available for use. Please request gun on entry form if needed. Refer to Tet rules for allowable gun sizes, speeds and pellets. Please note that no guns capable of shooting more than one pellet are permitted. Ie revolvers. Location; Maplegrove Equestrian Centre

**National Qualifiers:**

Members that wish to qualify for nationals will be required to compete in either the Jr division or Sr Division. Additionally members will be required to show competency at a recognized event or D Rally. Jr's will have to show competency at Entry Level eventing or D2 at rally and Senior will have to show competency at Training level Eventing and be a C level pony clubber.

**Tetrathlon Divisions: Age is as of January 1<sup>st</sup> of the current year**

Division	Age	Shoot	Run	Swim	Show Jump height (without penalty)**
Novice B	6-8	Two hands	1000	50	none
Novice A	9-11	Two hands	1000	100	.6M
Green Jr	12-14	Two hands	1500	150	.85M
Jr	12-14	One hand	2000	200	.85M
Green Sr	15+	two hand	1500	150	.85M
Sr	15+	One hand	2000	200	1.0M

\*\* competitors can opt to show jump at a lower height with a 250 point penalty for that phase for each show jump level below their respective height. Eg: a Green Jr that is supposed to Show jump at .85M and show jumps at .75M would get a 250 point penalty. A Senior that show jumps .90M instead of 1.0M would receive a 250 pt penalty. If that senior show jumped at 0.75M the penalty would be 750points, etc.

**Prizes:**

- Medals ( gold silver and bronze) will be awarded to competitors in each age/gender category
- Day 1 medals will be awarded and well as Day 2 full phase medals for those doing the show jump.
- Individual hi point swim, shoot and run medals

## SHOW JUMPING

**8am start Sunday**

WOR Regional Show Jumping Chair: Karen Goetz      [wortetshowjump@gmail.com](mailto:wortetshowjump@gmail.com)      519-981-9420  
 Show Jumping Judges TBD  
 Course Designer Karen Goetz  
 Food Booth: limited Food Booth – snacks, water, pop, freezies.

- Western Ontario Region Supplemental Show Jumping Rules and National Show Jumping Rules will be used.
- The Speed and handiness Class rules can be found in the Equine Canada Jumper rules section G: FEI article 263.
- If there is a any instance where the rules pertaining to any particular situation are not found in the Canadian Pony Club National Show Jumping Rules, the Equine Canada Rules will prevail.
- Due to COVID restrictions, most competitors will not have had opportunities in the current calendar year to compete at many shows. It is important that the participant's Show Jump Rep and DC keep this in mind when signing off on their competency at the level entered.

**DIVISIONS:**

<b>Cross Rails</b>	<b>0.45m 18' max. Height</b>	<b>No Oxers</b>	<b>No water</b>	<b>300 mpm</b>
<b>Pre-Entry</b>	<b>0.60m 2'0" max. Height</b>	<b>No Oxers</b>	<b>No Water</b>	<b>300 mpm</b>

<b>Intermediate</b>	<b>1.00m 3'3" max. Height</b>	<b>0.90m max. spread</b>	<b>No Water</b>	<b>350 mpm</b>

**X-Rails to Entry(x-rail - .070M)**

**1<sup>st</sup> class – Optimum Time Table A penalties** - Optimum Time classes are designed to help developing riders learn the skill of riding a course at the posted speed, rather than with the fastest time. Competitors with equal faults will be placed according to how close their time is to the optimum time, which is based on the course being ridden at the posted speed.

**2<sup>nd</sup> Class - Table A with Immediate jump off**

- Horses and riders going clear in their first round are to remain in the ring and prepare for a jump-off over a shortened course. The riders must wait for bell or whistle from judge to start their second round ( jump-off round)

**3<sup>rd</sup> Class – Medal Class** - The purpose of the Medal class in the Canadian Pony Club Show Jumping Program is to encourage correct equitation in the jumper ring and on the flat.

- The CPC Medal is an equitation class in 2 parts; over fences and on the flat. Conformation of the horse is not to be judged.
- The Medal class will be judged 60% on the over fences ride and 40% on the flat ride. The competition must include both phases of the medal.
- Riders riding higher than their PC test level must be judged at the higher level. E.g. A C1 Rider competing in a 3'6" Medal class must be judged as a B level rider.
- A horse/rider combination may enter only 1 Medal class.
- Competitors may ride one horse only in the same Medal class. A horse may be used by more than one rider at the discretion of the organizing committee. (Consideration for management of shared horses would be dealt with during the flat phase.)
- Riders may compete on a different horse in a different Medal class if they fit the requirements and/or restrictions for the class, and if the organizing committee allows it.
- The Medal should offer divisions based on either Pony Club levels or height levels.
- Competitors should ride at the height level where they normally compete if that level is offered. i.e. members who regularly ride the horse they are competing at a level higher than the PC tested level must compete at that level.

#### **Medal Class Flat Class requirements:**

- Riders may be required to demonstrate the following skills:  
 Cross Rails: Walk, trot rising, trot sitting, halt, change of direction at walk or trot, walk on a loose rein.  
 Pre-Entry: All of above, plus; walk without stirrups, canter in small groups if judge feels riders are capable.  
 Entry: All of above, plus; sitting trot without stirrups, canter (no more than 10 at a time)  
 Starter: All of the above, plus; Lengthen stride in trot.  
 Beginner: All of the above, plus; rein back, simple change of lead through trot, canter without stirrups. May ask for individual showing of 20m circles at trot, posting or sitting.  
 Novice: All of the above, plus; lengthen stride in canter. May ask for individual showing of leg yield at walk, 20m circles at trot without stirrups, and 20m circles at canter.  
 Intermediate: All of the above, plus; trot from halt, shorten stride in trot, counter canter. Judge may ask for individual showing of 15m circles at trot and canter, with a change of direction through trot, turn on the forehand, leg yield at trot.

#### **Starter through Intermediate:**

##### **(0.70 – 1.0M divisions)**

- **1<sup>st</sup> class – Table A with immediate jump-off.** see above.
- **2<sup>nd</sup> Class – Speed & Handiness Table C** – This is a single round against the clock. See Equine Canada Rules Section G
- **3<sup>rd</sup> Class – Medal Class** – as per above

**Table of Faults/Penalties:**

<b>Fault</b>	<b>Penalties – Table A</b>	<b>Penalties - Table C</b>
Knockdown	4 faults	4 seconds
1 <sup>st</sup> disobedience w knockdown	4 faults time stopped and restarted	Time correction of 6 seconds
1 <sup>st</sup> disobedience	4 faults	none
2 <sup>nd</sup> disobedience	Elimination	elimination
Fall of horse or rider	Elimination	elimination
Exceeding optimum time in 1 <sup>st</sup> round	1 penalty per 4 seconds over time	Not applicable
Exceeding optimum time in jump off	1 penalty per second over time	Not applicable
Exceeding time allowed	Elimination	elimination

**Prizes:**

- Ribbons to 6<sup>th</sup> place in all classes.
- Medals to 3<sup>rd</sup> place in medal classes and ribbons to 6<sup>th</sup>
- Champion and Reserve in all divisions

**National Qualifying Medal Division - 8am start**

**Candidates need to be at least C level and working towards C1**

Candidates will compete in the 1.0M jumper division. After the medal round the top 4 candidates will compete in the switch ride.

**Switch Ride (national qualifier)**

The switch ride course will be a shortened course of maximum 8 to 10 fences. 1<sup>st</sup> round of 8 to 10 fences will be on their own mount and the 2<sup>nd</sup> round over the same course will be on a mount drawn from the remaining 3 horses.

Each competitor may warm up their switch alternate horse for 3 minutes in the competition ring over 2 selected fences one oxer and one vertical jumping each fence a max of twice. The signal that the end of the 3-minute warm up will be given by the judges, followed by the signal to commence the round.

- The Switch/alternate ride is judged as Equitation over fences with a time allowed.
- The warm up portion is also judged as a part of the round
- The course must include a double combination with at least one spread fence.
- Two other spread fences are required elsewhere on course.
- A Liverpool is optional at the organizers' discretion.
- The course should be more difficult than a regular horsemanship class.
- Time allowed based on 325 - 350mm.
- Coaches/parents may not walk this 'over fences' phase with their riders. Competitor only

**Scoring (national qualifier)**

The scoring is cumulative, i.e. scores from the medal round and the switch ride are totaled for a final score.

- The rider with the highest total score will be declared the Champion and the rider with the second highest score will be declared Reserve Champion.
- In the case of a tie for any position below Champion and Reserve Champion, the rider with the highest score in the Jumping phase will be given the award. If still tied the rider with the highest score in the Flat phase will be given the award.
- If the tie is for Champion or Reserve Champion the judges will be required to set an individual test, which will be the same for all tied riders. This test may be either on the flat or over fences. If on the flat, it must be from the table of Flat tests in 3.3.2 and appropriate to the level of riders being tested.
- Riders tied for positions below Champion or Reserve Champion that are still tied after all the phases have been examined will remain tied.

\*\*\*Important Please read\*\*\*

Please remember this event is being hosted on private property at an Operating Equestrian Centre. All participants, family members and guests are expected to follow all rules and be respectful of property, owners, staff and volunteers while guests are on site. The hosts reserve the right to remove any guests that are not following rules and refunds will not be given.

In most Pony Club activities there is some element of risk that an accident could occur and result in injury or death to a member or their mount. During instruction at Branch and at Regional meetings and/or clinics, members are usually around horse, even when they are not riding. For example, they could be involved with grooming, checking for injuries, etc. There is always a risk of accidents when dealing with large animals even if extreme precautions are taken. Riding instruction often involves having riders attempt things, which they have never done before or at a more difficult level than they have done before. Prior to competing in a regional level riding competition, members will have passed one of more Pony Club tests. This means that they have successfully performed to a standard set of requirements. In most cases, their instructors will be preparing these members for the next level of accomplishment and they will therefore be attempting to do more difficult elements than the test level that they have passed indicates.

Although all competitors in Regional riding competitions are required to have passed a Pony Club standard test (e.g. "D" or higher), this is only a MINIMUM REQUIREMENT and does not in any way guarantee the capability or safety of the rider when competing in a specific event. The testing program is designed as a MINIMUM set of standards for all-round riders while Regional competitions are designed to provide good competition for the BEST Representatives of particular Branches in a specific discipline. In nearly all cases, a member who just meets the minimum requirement based on Pony Club test level will not be a suitable candidate for Regional competitions. Participation in a Regional or even Zone or National event is not a right but a privilege that must be earned by demonstrating the required capability.

All competitors and parents must also be aware that safe control of a horse under competition circumstances in the presence of crowds of people and other horses is MUCH more difficult than control in a non-competitive situation. Before entering ANY regional competition the ability of the rider to control the mount MUST BE CAREFULLY CONSIDERED factoring in the effect of the excitement of the crowds of horses and people, and the stress of the competition itself. Many riders who can safely jump in an arena under instruction, who can safely "hack" across country, do the occasional open field jump, and can play competent games on their home or stable property may still be unprepared for regional riding competitions.

All competitors NEED to be reasonably familiar with the rules. Not knowing the rules and proper "etiquette" for such things as jumper warm-up rings can lead to serious accidents or disqualification.

Ponies and horse compete on the same courses. No special allowances are made for ponies. The poles division will be allowed leaders.
