

Vancouver Pony Club - Declaration of Intent to Test (DIT)

Overview

This form must be completed and submitted to the VPC Testing Committee by October 1. You may place the completed forms in the blue VPC mailbox which is located just inside the front door of the Southlands Riding Club.

The information provided on this form will allow the VPC Testing Committee to enroll you in the proper stable management sessions and ensure, when the time comes, that we can make appropriate arrangements for your written and practical tests.

Sometimes your decisions around testing will change after you submit this form. If this happens you will need to contact the test representative(s) right away so we can adjust plans.

If you have any questions about completing this form please make sure you and your parents come to the Testing Overview Session on Sept 16th at 7:30 PM at SRC.

Please remember you can try to qualify to test one or two levels per year at the branch level (D, D1,D2,C,C1). At the regional level (C2, B, B2 A) you may only attempt to qualify to test one level per year. If you intend to do anything different than that you must make a special request to the branch test representative.
