2. It is mandatory for all new VPC members and their parent(s) to attend the ‘Testing Overview Session’ prior to completing and submitting the DIT.
3. All returning VPC members and their parents are strongly encouraged to attend the ‘Testing Overview Session’ prior to completing the DIT.
4. The session will provide valuable information to help you make decisions on testing, and help you to understand the importance of the accurate completion of this form. As the session will occur prior to the submission date for the DIT you are welcome to complete and submit the form at the meeting.
5. If members/parents cannot attend the session please ensure that the DIT is completed and submitted to the VPC Testing Committee by October 1. You may place the completed forms in the blue VPC mailbox which is located just inside the front door of the Southlands Riding Club.

Please note that if the DIT is not submitted by October 1, we cannot guarantee that you will be enrolled in stable management lessons – remember completion of stable management is required to test.
