### GENERAL STATEMENTS

1. Any individual club, including the Canadian Pony Club Inc. that owns, leases or borrows property must provide separate insurance on those items. This includes such things as office equipment, tents, generators, portable phones, walkie-talkies, etc. that are not covered under the Master Pony Club policy. Check with your local insurance broker for coverage. You may also contact our broker – Intercity Insurance Services – Mike King... for more information
2. The Canadian Pony Club Inc. Master Liability Policy is designed to cover all Sanctioned activities and events organized by the Canadian Pony Club Inc. and all member clubs.
3. Sanctioned activities are all those activities included on page 5 of this document. Sanctioned activities are limited to all those activities sanctioned by the National Board, i.e. PPG, Tetrathlon, Rally, Dressage, Show Jumping, Testing and all educational activities. Further, as Canadian Pony Club must sanction all Branches, any activities normal to a Branch are also included in sanctioned activities.
4. **In order for activities to be considered “sanctioned activities”, they must appear in the minutes of the Branch or Region hosting the activity. Regions must be aware of and approve all activities hosted by their Branches. Open shows should include the name of the Region in the title, along with date and location. Ex. Perfect Region Amazing Pony Club Annual Schooling Show will be held June 4-6 at the Horseshoe Riding Arena.**
5. All participants in Canadian Pony Club sanctioned activities and events must be members in good standing of a CPC member branch and members in good standing of their Equine PTSO, with a fully completed membership form and risk form on file with the Branch and the Region. **Members must belong to the Equine PTSO in the province indicated as their home address on their Canadian Pony Club membership form.**

#### Exceptions to #5

- 5a. Prospective CPC Active Members may be allowed to attend a regular Branch/Centre SM or Riding lesson. To attend a riding lesson, the guest must have their Equine PTSO Membership. Each guest may attend a maximum of 3 lessons in total.  
  
Prospective CPC Horsemasters Members may be allowed to attend one regular Branch/Centre SM or Riding lesson. To attend a riding lesson, the guest must have their Equine PTSO Membership
- 5b. Branches, Centres and Regions may host open Horse Shows, providing that all competitors have their Equine PTSO Membership. Non-PC Members may participate as long as they have their Equine PTSO membership and have signed a CPC Non-Member Acceptance of Risk form.

6. Regional Championships in any of the 6 CPC Disciplines must be open only to CPC members.
7. Regional Rally may be held in conjunction with a Horse Trial hosted by the Provincial Horse Trials group provided that all of the non-riding portions are organized by Pony Club. Riders must enter the HT separately and scores will be shared with Rally. Where possible, team horses should be stabled with their teammates to enable more effective SM judging.
8. CPC Branches or Regions may at times have the opportunity to share educational opportunities with other organizations, which have similar interests and educational programs. This is allowed provided that the activity is directly related to the CPC educational program and that all participants are members of either the CPC or the other organization(s). Such sharing with 4H clubs is acceptable. Sharing with other organizations requires prior approval by the CPC National Office but will not require an additional fee. The event must be sanctioned by either the Regional or Branch committees and recorded in the minutes of the appropriate committee.
9. Should any activity organized by a local Branch be a non-sanctioned activity, the Master Canadian Pony Club Liability Policy will not respond. Shows co-hosted with other non-Pony Club groups are not covered by our policy and additional insurance is required.
10. Members of Canadian Pony Club are required to complete and sign the Canadian Pony Club Membership and Risk Form at the inception of their membership and annually thereafter. A copy of this form is available for downloading from our web site.
11. It is the responsibility of each Branch of Canadian Pony Club to appoint one person who is responsible for reading and understanding this document and understanding and controlling the insurance needs of the Branch. Should this appointee retire from this position, it would be his/her responsibility to educate his/her replacement.
