Thank you to everyone for helping to support the SPC!

Membership

Our membership drive for renewal or purchase of membership for the Springbank Pony Club will be in November. We are waiting for the AEF to complete website changes along with additional info from the Region before we can launch our membership drive.

Current members along with new members wanting to join will be sent all the information for their 2023 membership.

Please note that a specific link is required for the online portion of the registration. The link will be forwarded as part of the information and registration package sent out to families.

Annual AEF Memberships (Jan 1 – Dec 31, 2023) will also be available for renewal/purchase in November on the AEF website.

❖❖❖ SPC Christmas Party ❖❖❖

We are excited to once again have this fun party for SPC families!

Pot Luck Dinner & Gift Exchange for the Kids
Saturday, December 3, 2022 @ 6:30 pm

Elbow Valley Residents Club
100 Misty Morning Dr

We are looking for a two volunteers to help coordinate the food items and set up for the event. Please contact Tanja at tpj@shaw.ca to help out.

Summer Camp 2023

**Sunday, August 6 –
Friday, August 11**

**Prentice Creek
Equestrian Centre**

Rocky Mountain House, AB

Riders to Watch

Ingrid Klimke

Ingrid Klimke is a German eventing rider. She rides in both eventing and dressage at international events. She has appeared at five Olympics from 2000 – 2016. At the 2008 Summer Olympics she won two gold medals in team eventing. At the 2016 Summer Olympics she won a team silver. She has also been very successful competing in international dressage.

Ingrid's trainers and inspiration have been her father Reiner Klimke, Fritz Ligges and Canada's Ian Millar. In Ingrid's words,

I received a consistent training from all of them, which was geared to develop an intensive bonding between horse and rider and to never overburden the horses. Being Ian Millar's working student I learned everything about care and show jumping and I am really grateful towards my father for making that stay abroad possible.

SPC summer coach Darren Coady described Ingrid as a talented and inspirational rider. He talked about how she is also a very approachable person who is very willing to help out young and upcoming riders. Follow Ingrid on her Facebook page to find out more of her amazing story!

SPC Badge Program - October

This month's badge is geared towards our younger members (ages 6-10)! Maybe this will be their first badge ever or maybe they can add this to their collection. This is also a fun way to review for all members. Either way, let's learn about Colours and Markings for the month of November!

While studying the various colours and markings, the members will create a booklet, using cut outs from old horse magazines. This should contain at least five different colours, four different face markings and three different leg markings.

When the booklet is complete, please take some pictures (or pdf the project) and send them to me (dana@infinitydynamics.ca). They will be compiled into one presentation and shared with all members via email.

SPC Market Place
